--	--

Unless specified customs will be supplied with 92mm legs, attached manual control and coal effect. If recessed pilot is not specified the right hand side will be reduced by 25mm to accommodate one. Standard controls are to the right hand side with the knob protruding by 15mm **Please remember to give straight measurements and not angled ones see diagrams above for info.**

**\*\* PLEASE NOTE ONCE BURNER IS DESPATCHED IT IS NON-RETURNABLE/REFUNDABLE DUE TO BEING A BESPOKE FIRE \*\***
